MEMBER indiamart

Profile

The **Swadeshi** as a group has three companies under its fold. The **Swadeshi** group is one of leaders with vast expertise since 1976 involved in Automobile & Generator Industry. **Swadeshi** have joined hands with Briggs & Stratton, Escorts and Mitsubishi under **Skyline Power Solutions** and started manufacturing Silent DG Sets & Acoustic Enclosures. The **Swadeshi** has its Unit located at BADDI (HP) engaged in Manufacturing of Silent DG Sets and having capacity to manufacture 6000 Gensets Annually.

Swadeshi provides supplemental installation services to prepare a site for mounting and activating DG Sets. While supporting Swadeshi manufactured products is our primary charter. **Swadeshi** under Skyline Power Solutions is having the approval from Bureau of Indian Standards (BIS), DSD Haryana and Central Purchase Committee (DGS&D) for manufacturing and supplying the Silent DG Sets. The Group is backed by Team of Experienced Professionals, Senior Executives, Managers and Engineers.
